

SPEAKER LUEDTKE: All provisions of law relative to procedure having been complied with, the question is shall LB 327 pass? All those in favor vote aye. Opposed nay. Have you all voted? Record the vote. All right. I guess we will have to allow a roll call vote, yes. Proceed with the roll call vote.

CLERK: Read roll call vote found on page 962 of the Journal. 28 ayes, 20 nays, Mr. President.

SPEAKER LUEDTKE: LB 327 passes. The next bill on Final Reading, Mr. Clerk, will be LB 574.

CLERK: Mr. President, there is a motion on the desk.

SPEAKER LUEDTKE: Read the motion.

CLERK: Mr. President, Senator Kahle moves to return LB 574 to Select File for specific amendment. The specific amendment is to strike the Simon amendment.

SPEAKER LUEDTKE: The Chair recognizes Senator Kahle.

SENATOR KAHLE: Mr. Chairman, and members, I believe that should read the Simon-Dworak amendment, the way it is in the book.

CLERK: Do you want it to read that way? The way you have offered it, you have it to strike the Simon amendment.

SENATOR KAHLE: I see in the book it is stated the Simon-Dworak amendment.

CLERK: I believe that was Senator Maresh's amendment. Do you want the Simon-Dworak amendment? Is that what you would like?

SENATOR KAHLE: Yes.

SPEAKER LUEDTKE: All right. Is that the motion then, Mr. Clerk?

CLERK: It is now. Yes, sir.

SPEAKER LUEDTKE: Senator Kahle.

SENATOR KAHLE: Mr. Chairman, and members of the body, I have been asked by some county people, some people on this floor who thought that this bill was sailing along a little bit too fast with all the amendments that are on it. It started out to be a very simple request by Senator Maresh that he wanted to help out some of our people that were smart enough to go south this winter and get out of this winter land that we have and it sounded like a good bill. Then we tacked on the fact that you could get a license in any county and the records would be transferred back to your own county. That was quite a major change but that wasn't so bad. Now we have tacked on to this same bill the fact that you can get an I.D. anywhere in the State of Nebraska by just going to the County Treasurer's office and presenting some information. As I look at the statute book there is about four or five pages of statutes in there about obtaining a license and what the County Treasurer is supposed to do and what they are not supposed to do. I can't find anything in there where they ever were intended to issue I.D. licenses. Now I know that some other states are doing it and I'm not
